Additional aid not administered by the financial aid office:

The New Hampshire Charitable Foundation offers several aid programs for low income students. Students may contact the foundation directly to request an application at (603) 225-6641.

State Scholarships are funded and awarded by the state in which the student resides. The deadline for the 2011/2012 year is May 1, 2011. There are other requirements set by each individual state that must be met in order to be eligible for grants. The state grant office usually notifies students of their eligibility when they apply using the free federal form.
