COURSE OF STUDY

ST. JOSEPH SCHOOL OF NURSING – PRACTICAL NURSING PROGRAM – PRACTICAL NURSE REFRESHER COURSE

St. Joseph School of Nursing is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). The Practical Nursing Program is accredited by the National League for Nursing and fully approved by the New Hampshire Board of Nursing.

The Practical Nurse Refresher Course 148 hour curriculum has been designed to meet the needs of the practical nurse who has not been active in practice. A temporary license must be obtained from the New Hampshire Board of Nursing prior to the start of the course.

Classroom content and clinical experience has been designed to provide exposure to current practices. Attendance at all classes and clinical is mandatory. A theory grade of 75% and a clinical grade of "Satisfactory" must be achieved, and compliance with all institutional policies must be maintained in order to pass the course. Basic math concepts should be reviewed prior to the first day of classes.
